

During summer or break doing activity

My name is Desta Mulat. During the summer, we worked with a charity called the Tesfegnochu voluntary association. We first washed clothes for the elderly and children with the help of the members of the association and the elders have happy to that activity. Then, we painted the walls of Lieutenant General Hailu Kebede High School. We collected blood donations from volunteers from the blood bank regarding the Ashenda Beal to give blood bank that institution distribute other institution like hospital give any blood finders. We collected more than 300 pieces of clothing for the elderly and children during the house-to-house clothing collection activity we conducted before the New Year or Pagume the elders and children are very happy with this activity We collected more than 37,531 birr in the New Year lunch program. We organized a lunch program for the elderly and children for the New Year. The association also celebrated its 10th anniversary on that day. In addition, every Saturday at the Weybla Church and Thursday at the Medhaniallem Church, we have carried out cleaning activities for the elderly and children. For example, we have carried out nail cutting, hair cutting, bathing, foot washing, hair washing and other activities the persons are protect from any pathogens and infectious disease easily control and give personal hygiene . On our part, we have also provided soap support to the association. We will continue this activity next year.

Some of the activities we performed during summer vacation is demonstrated by the following photos and videos:
